It is an important document. Please read it carefully and keep it in a safe place.

If you are a retail client and we agree to give you personal advice we will provide you with a Statement of Advice (where required by law) or a record of our advice. If you are a retail client and we arrange an insurance policy for you, or if we recommend you buy a particular insurance policy, we will give you a Product Disclosure Statement when required. It is prepared by the insurer and is designed to give you important information on the features, benefits and risks of the policy to assist you in making an informed decision about whether to buy the product or not. It may be more than one document.

A guide to our relationship with you and others

What services can we provide?

Our various roles

We are an Australian Financial Services Licensee and are licensed under the Corporations Act to advise and deal in relation to all general insurance products.

We can act in a number of roles in providing our services.

We usually act on your behalf. However in some cases, we may act on behalf of an insurer or their representative or on our own behalf (e.g. as a referrer to another service provider). We tell you if this is the case as this means we do not act for you when we provide the service.

Our Services

Arranging insurance for you

This is where we arrange for the issue, variation, renewal or cancellation of an insurance policy for you. The process differs depending on the type of insurance and we explain it to you when you apply for the insurance.

Providing advice to you

There are two types of advice service we provide and it is important to understand the difference:

Personal advice – this is advice provided by us to you on the suitability of general insurance policies to meet your particular needs. We will agree with you when this service is to be provided and what the scope of our personal advice will be. For example, in some cases we may only provide personal advice on which of a selected list of products is appropriate for you. Before we provide any personal advice we will need to undertake a needs analysis so we can provide you with appropriate advice.

General advice – this is where we provide a general recommendation or opinion to you on a general insurance product which is not based on our consideration of your personal needs. We tell you when this is the case because if general advice is given you need to consider if the general advice and any relevant product is right for your circumstances as we have not done this for you

In some cases where we arrange more than one policy for you we may provide personal advice for one policy and general for another. We tell you when this is the case.

Claims Assistance

We can also assist you when you need to make a claim. If a claim occurs contact us and we can help you decide what to do. We do not do anything without your consent. We provide this assistance as part of our overall service for no separate charge unless we tell you otherwise. We don't provide this service if we no longer act for you.

Any claims documentation, insurance company settlement cheques and other information received by us on your behalf will be provided to you as soon as reasonable practicable.

Acting for insurers

In some circumstances we may have an agreement with an insurer or their representative to arrange insurance policies on their behalf and not on your behalf. This means that we act for and in the interest of the insurer as our principal in providing the services, not yours.

We will tell you when we act for the Insurer and not for you.

Premium Funding

We and AUB Group Limited (ABN 60 000 000175), have a preferred supplier arrangement with Hunter Premium Funding Pty Limited (HPF) for the arrangement of premium funding. In arranging premium funding with HPF, or any other premium funder, we do not provide personal advice or represent that any of the funder's products and services are right for you or that they are the most appropriate. You need to make your own decision based on the information provided.

Income Protection, Life Insurance and Superannuation

We can also assist you with life insurance, income protection and superannuation advice. When providing this service we do so as an Authorised Representative of Millennium3 Financial Services Pty Ltd AFSL No. 244252. Our representatives will provide you with further details about this service including information about Millennium3, the products and services they are authorised to provide and the fees you will pay for this service.

We may provide a variety of services and act in different roles.

It is important to note that given the wide variety of general insurance products available and the need to remain competitive we may provide a variety of the above services to you and act in a variety of roles.

For example, where you require a number of different covers we may provide personal advice for some products you need and act on your behalf in relation to them. For others we may only provide you with general advice and for others only act as agent of the insurer not you. We can provide a further explanation of why this is the case and we make sure we tell you what the service is and our role before or at the time we provide the service.

Ask us if you need more detailed information or do not understand our explanation.

How can you give us instructions?

You need to give us instructions in writing by letter or fax or by another method agreed by us. We will tell you what is possible when you contact us.

What information do we maintain about you and how can you access it

We are committed to protecting your privacy in accordance with the Privacy Act 1988 (Cth) (Privacy Act) and the Australian Privacy Principles (APPs). Where required, we will provide you with a Collection Notice which outlines how we collect, disclose and handle your personal information.

You can also refer to our Privacy Policy available on our website or by contacting us for more information about our privacy practices including how we collect, use or disclose information, how to access or seek correction to your information or how to complain in relation to a breach of the Australian Privacy Principles and how such a complaint will be handled.

How are we remunerated for our services?

If we refer you to a premium funder and you enter into premium funding arrangements with them, we may receive commission from the premium funder which is a percentage of the amount funded excluding GST. The amount of commission varies depending on our arrangement with the premium funder we refer you to. In some cases we have a profit share arrangement with the premium funder where we receive a percentage of any profit the premium funder makes on the funds loaned by persons we refer to them. We may receive soft dollar benefits from them too.

If you use Hunter Premium Funding Ltd (Hunter), we receive:

- a payment based on the interest earned on the premium funding by Hunter each month;
- a commission which is a percentage of the amount of funding provided to you;
- a payment based on a percentage of all outstanding loans less any cancelled or terminated loans; and
- a payment based on a percentage on certain general insurance business placed by Austbrokers Network with certain division of Allianz Insurance Limited.

AUB Group Limited receives certain upfront payments from Hunter for entering into (or renewing) a preferred premium funding distribution arrangement with Hunter. We are owned partly by AUB Group Limited and benefit from any profit made by this entity due to this arrangement.

If you need more information or explanation of the above, please ask us.

When we act for you in advising on and/or arranging insurance.

When we act on your behalf in advising on or arranging insurance we can be remunerated in a number of ways. They can vary according to the service you require and/or our arrangements with the relevant insurer or their representative.

We are remunerated by:

- commission from insurer;
- fees we charge you;
- in limited cases only, remuneration from an insurer based on the profitability or volume of the business we place with them; or
- a combination of the above.

Details are provided below on each.

Commission paid by the insurer to us

Unless we tell you in writing that we will provide our service on a "Fee Only - No Commission" basis, we are remunerated by commission from the relevant insurer whenever you enter into an insurance policy arranged by us (including renewal and some variations which increase the premium payable).

The commission is a percentage of the insurer's base premium (i.e. premium excluding stamp duty, fire services levy, GST or any other government charges, taxes, fees or levies). The rate ranges between 0% and 25% excluding GST. Different insurers can agree to pay us different commission rates for the same type of products. The rates also vary for each product type. In some cases the rate may be higher because of the role we play in performing certain distribution functions the insurer would otherwise have to perform.

The commission rate does not represent our profit margin as it also reimburses us for administrative and other expenses we incur in providing our services.

The commission is included in the premium amount set out in your invoice and we receive it when you pay the premium or at a later time agreed with the insurer.

If there is a refund of premium as a result of the cancellation or adjustment of your policy we reserve the right to retain our remuneration earned prior to the cancellation or adjustment (even where you exercise a cooling off right). If we didn't do this we would not be properly paid for the services provided by us to you.

Other remuneration arrangements we have with insurers

Austbrokers NCFS Allianz Profit Share Clause

"We may receive a profit share commission from Allianz Australia Insurance Limited (ABN 15 000 122 850) (Allianz) for insurance placed by us (or renewed) with Allianz in each calendar year (excluding CCI, CTP, Workers Compensation and Travel Insurance). If an agreed profit threshold is exceeded (determined according to a formula that takes into account matters such as premium received, claims and expenses incurred etc) we receive an agreed percentage of the excess, up to a cap of 5% of gross written premiums received for the insurance. Ask us if you need more information.

Austbrokers Relationship

We are also a member of the Austbrokers Group of insurance brokers.

AUB Group Limited (ABN 60 000 000 715) (AHL) and IBNA Limited (ABN 43 086 563 055) (IBNA) are joint owners of A & I Member Services (AIMS) a company that provides marketing, distribution and training services to members of Austbrokers and IBNA Group. Some insurers pay a commission to AIMS on selected products arranged by Austbrokers member insurance brokers and IBNA members which is an agreed percentage of the base premium (Before government fees or charges). Different insurers may pay different commission rates to AIMS.

This money funds the provision of AIMS services to Austbrokers and IBNA members. We, other Austbrokers members and IBNA members benefit from this support and it helps ensure we can continue to provide you with our extensive range of services. Austbrokers and IBNA

members may also be entitled to share in any excess of the commission received by AIMS in any one annual period (if any) after deduction of all relevant AIMS costs and expenses in providing its services in that period

See below for soft dollar benefits we may receive from insurers and our policy on this.

Fees Paid by You

We may also charge you a Broker Fee in addition to commission when you enter into an insurance policy.

We may charge you:

- an administration fee of between \$0 and \$5,000 in addition to commission when you enter into an insurance policy; and / or
- a flat fee of between \$0 and \$5,000 for arranging an insurance policy or a fee based upon the time we spend advising you; and / or
- an annual management fee of between \$0 and \$5,000 plus between \$0 and \$500 GST, this is payable at time of annual policy renewal. You will be informed of the nature and amount of any fee involved prior to us performing the service for you.

In some cases we may specifically agree in writing before providing certain services to charge for these services on a "Fee Only – no commission" basis. The fee will either be a pre agreed set amount for specific services, an amount based on a pre agreed rate for the time we spend providing the service, or on some other basis agreed with you before we provide the service. It is payable after we have provided the service or at such earlier time we agree with you in writing.

Any fees that we charge you will be noted in our invoice and are non refundable (even when you exercise a cooling off right).

Where we act for the insurer

Where we act for an insurer, not you, we receive commission from the insurer as our principal and may also charge you an administration fee. It is payable when you buy the policy or at such earlier time we agree with you in writing. The fee is noted in the invoice we send you, is exclusive of GST and is not refundable.

Where there is a referral

Where a third party has referred you to us, we may pay them an amount which can range from 0% to 50% of the commission that we receive on the net premium or pay them an agreed referral fee. The amount of the commission or the fee will vary depending on both the referrer and the insurance product you purchase. A commission or an agreed fee may also be paid on renewal and in some cases on variation.

If we refer you to another service provider (eg Premium Funding etc), we will be remunerated by them for doing this unless we tell you we aren't. In the case of Premium Funding, the amount ranges between 0% and 5% and will vary depending on both our role and the business concerned. Other referral remuneration will be disclosed at the time of referral.

In making any referral we do not advise or represent that their products and services are

right for you and take no responsibility for the products and services they may provide to you. You need to make your own decision based on the information they provide.

Our staff's remuneration

Our staff receive an annual salary that may include bonuses based on performance criteria (including sales performance) and achievement of company goals. They may also receive certain soft dollar benefits described further below.

Receipt of Soft dollar benefits policy

From time to time we and our representatives may also receive what are commonly referred to as "soft dollar benefits" from product issuers and other financial service providers we deal with.

These can include entertainment (e.g. lunches, sporting events, movies etc), conferences (e.g. attendance at a product issuer conference or sponsorship of our AUB group Annual conference by a product issuer), accommodation and travel, business tools (e.g. software), gifts (e.g. product issuer or service provider branded promotional and other occasional small gifts such as bottles of wine or hampers on special occasions etc).

These benefits are provided by a wide range of product issuers and service providers. In most cases they relate to our development of an understanding of the product issuer and service provider and their product ranges and practices etc. Ultimately, this assists us in better servicing and representing you.

Our policy is that any of the above received by us or our representatives that exceed \$300 per item or transaction in estimated value are potentially material.

This means they must be disclosed to our Conflicts Manager in writing. The Manager determines if appropriate procedures are in place to manage or avoid any potential conflict of interest which might arise. They only approve benefits where this is the case and retain a record of this which you can access on request.

Any soft dollar benefits which are principally given because of the volume of business provided by the recipient to the product issuer or service provider giving the benefit are not permitted.

The above restriction does not apply to conferences or functions, the principal purpose of which is professional development and where the right to attend is not based on volume.

Further information about remuneration received by us or others

If we provide you with personal or general advice as a retail client we will tell you either:

- the amount of any remuneration (including commission or other benefits we or other persons receive that might reasonably be expected to be or have been capable of, influencing us in providing the advice; or
- if the amount is not known, the manner of calculation.

Money Handling Arrangements

We handle all money received from you or the insurer in relation to insurance in accordance with the requirements set out by the Corporations Act 2001 (Cth). We keep any interest earned on any amounts held by us on your behalf or on behalf of the insurer. The length of time we hold any money can vary according to the type of insurance and the different arrangements we have in place with insurers.

Do we have any relationships or associations with issuers or related bodies corporate that might influence our service or advice?

We are a member of the AUB group of insurance brokers.

In some cases we may refer you to or advise you to use the services of one or our related body corporate. They may act as agent of the insurer and you will be told when this is the case. As a member of the same corporate network we may indirectly benefit from any such referral or advice if it improves the network performance.

Please refer to our remuneration section for the normal benefits we can receive under such arrangements.

How do we manage Conflict of Interest?

We take any potential conflicts of interest seriously and have a Conflict of Interest Policy which we and our representatives must comply with and you can access by contacting us. Compliance is audited on a regular basis. Conflicts of interest are circumstances where some or all of your interests as our client, are or may be inconsistent with, or diverge from, some or all of our interests. Our procedures and training are all designed to properly manage any conflict of interest and it is important to note that we have legal duties we owe you when we act as your professional adviser. We treat these very seriously.

A key conflict faced when we act on your behalf is where we receive benefits from someone other than you – this can potentially influence us to act in their or our interests rather than yours. Where we arrange a policy an insurer can pay us commission (see above for details). It is the major form of insurance broker remuneration and can create a potential conflict of interest because it may be in our interest to recommend the product issuer or service provider that pays us the most because it increases our remuneration. This may not be in your interest in certain circumstances.

We have a number of procedures in place to manage this potential conflict of interest. For example, we tell you about this remuneration arrangement in this Guide and you can ask for more detailed information if you need it before you proceed. Where we provide personal advice we have a legal duty as a professional to put your interests ahead of our own and can only provide you with advice that is appropriate for you. If we can't provide such advice we will tell you. The Statement of Advice and/or Statement of Additional Advice we give you containing the personal advice also confirms the remuneration received. We and our representatives are trained in this important duty and compliance with it is monitored regularly.

If you have any questions make sure you ask us.

Cooling off Period

A cooling off period may apply to an insurance policy issued to you as a retail client. During the period you may return the policy and the insurer will refund the premium less any legally permitted deductions. Details of your cooling off rights are included in the relevant Product Disclosure Statement document. Ask us if you do not understand the right.

Other terms of our Service Information about Insurance Contracts

You must read the Information about Insurance Contracts (located on the back of your invoice/alterations correspondence). Please tell us if you have not received it. If you have any questions or do not understand anything we have set out in that document, please ask us. It will help you understand some important matters about your insurance.

Misstatement of Premium

We try to tell you the correct amounts of premium and statutory and other charges that apply to your insurance. In the event that we misstate that amount (either because we have made an unintentional error or because a third party has misstated the amount), we reserve the right to correct the amount. Where permitted by law, you shall not hold us responsible for any loss that you may suffer as a result of any such misstatement.

Professional Indemnity Insurance Arrangements

We and our representatives are covered under professional indemnity insurance that complies with the requirements of section 912B of the Corporations Act.

The insurance (subject to its terms and conditions) will continue to cover claims in relation to our representatives/employees who no longer work for us (but who did at the time of the relevant conduct).

NIBA Code of Conduct & Code of Practice

North Coast Insurance Brokers (Austbrokers NCFs) is a proud member of the National Insurance Brokers Association (NIBA) and are bound by their Code of Conduct.

We also subscribe to the Insurance Brokers Code of Practice (the Code). The Code sets out standards for Brokers to follow when dealing with clients including requirements to inform clients of remuneration arrangements and any conflict of interest.
